DATABASE NOTES

Data Currency: All information verified January 2026; prices and hours subject to change

Dynamic Pricing: Most major parks now use variable pricing - online advance purchase always cheapest

Cashless Trend: Many parks (Hersheypark, Busch Gardens, Cedar Point, Kings Island) are now completely cashless

Best Practices:

1. Always buy tickets online in advance
2. Download official park apps for wait times
3. Book dining reservations where available
4. Check height requirements before visiting with children
5. Review accessibility guides for guests with disabilities

This database provides comprehensive baseline data for content creation. Verify all details on official park websites before publishing.
